The Cancer Detection Clinic at the Columbiana County Health District was established in 1965 as a Pap clinic with state funding.

Since 1980, the Clinic has been funded by a local levy that costs less than \$5 per year for a \$100,000 home.

Services include:

Patient navigation and referral,

Mammograms,

Pelvic exams and Pap Tests,

Skin Cancer Screening,

Lung Cancer Screenings (added in 2019)

Cancer screenings and services are free of charge for all residents of the Columbiana County General Health District.

Out of health district patients can receive services for a minimal fee.

Insurance can be billed for mammograms.

Come and meet the friendly staff at the:

Health District and Cancer Clinic open house on October 1, 2019 from 9am-6pm

Our Vision: "A safe community of healthy people"
